NEWSFLASH.....

Tas Buckskins now hold a colour registry for:

BUCKSKINS, PALOMINO's & Double Dilute.....

Tasmanian Buckskins Inc is a Colour Society formed to provide a state-wide registry to cater for the growing number of Coloured horses and ponies entering the equestrian scene in Tasmania.

Together with NSW Buckskin Horse Association, National Buckskin Society (VIC) and South Australian Buckskin Association, we form the AUSTRALIAN BUCKSKINS ASSOCIATION. We now have an association with Australian Palomino Horsebreeders Association & have a separate registry & colour standards for Palominos & Double Dilutes

Tasmanian Buckskins Inc has 3 stud books that eligible horse and ponies can be registered with:

1. **General** For all horses and ponies that meet our colour standards and pass classification through clear colour photographs and vet certificate (for stallion applications only).
Palominos & Non standard Buckskins & Double Dilutes have to be tested for Crème Gene
2. **Foundation** For all females and stallions that are born buckskin and then grey out or show other signs of colouring, for example appaloosa.
3. **Appendix** For all horses who have a Australian Buckskin Society registered sire or dam. and are deemed to be non-buckskin. This registry is not available to Palomino (yet)

We run 3 shows per year & many fundays for our members:
